REQUEST FOR CORRECTED FILING RECEIPT

Applicant has received the official Filing Receipt for the above-referenced patent application (copy attached as Exhibit A). A corrected filing receipt is requested for the following point of information:

This application's Declaration (attached as Exhibit B) claimed the benefit of the priority of U.S. Patent Application Serial No. 09/752,841, filed on December 29, 2000. The Filing Receipt failed to reflect that claim of domestic priority.

This application is, in fact, a continuation-in-part of that U.S. Patent No. 09/752,841, although that fact was not reflected on the Transmittal submitted at filing. Applicant is filing concurrently with this Request a Preliminary Amendment to include the appropriate cross-reference to that application.
